IWATE UNIVERSITY

Iwate University (Iwate Prefecture)

Features of the Program: (1) Japanese language study and courses offered by the Faculty of Education on the same campus!
(2) The opportunity to participate in the Japanese school internship program.

◇ University overview

① Characteristics and history

Iwate University is 2 hours and 10 minutes from Tokyo by bullet train and is **located in the city of Morioka**, which has a population of 300,000 and is surrounded by pristine nature. The university consists of 5* faculties and 5 graduate degree programs. There are about 4,550 undergraduate students and 850 graduate students, supported by 690 members of faculty and staff. The student to teacher ratio in the Faculty of Education is **10 : 1**, ensuring students and faculty have close contact. It offers programs for all subjects taught in secondary education, and has four affiliated schools: a kindergarten, an elementary school, a junior high school, and a special-needs school. This environment enables the teacher-trainee to study education theoretically and practically.

◇ Outline and characteristics of the course for Teacher Training Students

① Characteristics of the program

Participants can learn both basic Japanese and take specialty courses in education. They can also experience Japanese education through participating in the school internship program (SIP). Additionally, the International Center offers courses on Japanese culture and organizes various events for international students, including a ski trip. At the end of this program, students receive certificates of completion for the program and SIP. The two types of courses are 18 months long.

② Number of students to be accepted: 3

③ Period of scholarship: From October 2025 to March 2027

④ Requirement for program completion

Participants receive individual academic tutoring from their main supervisor and conduct in-depth research on their respective themes of inquiry. At the end of the course, teacher-training students are required to present the results of their research and submit a final report. Japanese language education generally requires 300 class hours and passing an examination. The specifics of participants' individual programs depend on their supervisor, but they generally take the School Internship Program (SIP) which enables them to visit and conduct fieldwork at local schools.

⑤ Overview of the course

【 1 year course in area of specialty】

Students begin courses or research in their specialty after 6 months of Japanese language training.

- Japanese language education / International Education Center :

Teacher-training students spend 21 periods a week for a span of 14 weeks in an intensive Japanese program at the Iwate University International Center.

- Specialized training / Faculty of Education :

Teacher-training students take lectures and seminars, write research papers and receive guidance from their academic advisors.

- Practical training, participatory subjects such as field trips and regional exchanges

- Others

After the intensive Japanese study has finished, students are still eligible to take Japanese classes. A Japanese graduate student serves as a tutor.

◇ Follow-up for graduates

After students leave, they can receive continued contact and personalized support. For example, an advisor can give a recommendation letter for students who want to continue their education.
