**[Reopening] Call for application in English Linguistics
at Iwate University Faculty of Humanities and Social Sciences**

1. Position and Number of Positions: 1 (One), Associate Professor (full-time position) or Lecturer (tenure track), Female Only

* The current open recruitment is limited to female applicants in accordance with Article 8 of the Equal Employment Opportunity Law, as part of the university's efforts to promote gender equality.

2. Affiliation:

Faculty of Humanities and Social Sciences, Department of Human Sciences and Cultural Studies

Graduate School of Arts and Sciences, Division of Interdisciplinary Cultural Studies (Master's Program)

3. Research field: English Linguistics

4. Subjects to Teach:

The appointee will teach classes in the following general and specialized areas.

General education:

Comprehensive English I and II, Linguistics, and others as needed.

Specialized education:

Basic Seminar, Advanced English Skills B, English Linguistics A - D, Seminar in English Linguistics A - D, Advanced Research, and others.

Additionally, omnibus courses conducted by a group include: Basic Synthetic Sciences (Human Culture) A and B, Synthetic Science, International Cultural Studies, Training in International Exchange, and others.

Graduate education:

Advanced English Linguistics, Advanced Seminar on English Linguistics, Advanced Research, and others.

Additionally, omnibus courses conducted by a group include: Advanced Multicultural Symbiosis, Basic Comprehensive Cultural Studies, Topics in Global Culture, Cultural Management, and others.

- We might ask you to modify the courses you will be in charge of. Please take note of this possibility.
- In order to establish a university-wide implementation system for General Education Courses, etc., you will be required to be in charge of at least one of the "General Education Courses" or "Specialized Basic Courses" based on your field of employment.

In addition, to meet the diversifying needs of learning and to promote diverse and

advanced media utilization, faculty members who are in charge of basic academic knowledge courses* in General Education Courses are required to create on-demand content for remote classes and a video syllabus (overview introduction).

* These are lecture courses in the applicant's research specialization held at a level of academic knowledge that can be understood by lower-year students from faculty other than the applicant's.

On-demand content for remote classes consists of 1 credit (7 lessons of 100 minutes each) × 2 subjects (2 credits) or 2 credits (14 lessons of 100 minutes each) × 1 subject (2 credits) or more.

5. Term of employment:

Associate professor: None (however, the retirement age is the last day of the fiscal year in which the employee reaches 65 years of age.)

Lecturer: 5 (five) years. Please note that an interim evaluation will be conducted by the day at which three years have passed from the date of employment, and a tenure review will be conducted seven months prior to the expiration date of the tenure-track faculty member's term. Tenure (associate professor, without tenure) will be granted if target values required for granting tenure have been met during the term. In the case of a particularly outstanding evaluation in the interim evaluation, the eligibility for granting tenure may be discussed at that time.

6. Qualification for application:

Those who meet all the following requirements:

(1) Applicants should hold a Master's degree (including a degree awarded in a foreign country).

(2) Applicants should have the research achievements in the field of English Linguistics and/or related fields.

(3) Applicants should be enthusiastic about research activities and be highly motivated and enthusiastic about education. They should be able and willing to play an active role in academic affairs using Japanese.

* Furthermore, what fulfills the following conditions is desirable.

- Those who hold a doctoral degree (including a degree awarded in a foreign country).
- Those who have experience of interchanging internationally, and experience of studying abroad etc. in the past.
- Those who have some educational experience in the past in research institutions, such as universities.
